\$ 7,191.00

Total

\$134,287.32

4. Work was done in the district.

Resource Engineering Associates has prepared plans for clean out the main Drain (Koshknong Creek). Bid documents are currently being prepared.

A Memorandum of Understanding (MOU) has been developed between the Drainage Board and City of Sun Prairie. Approvals by the City and Board are in progress.

5. A review and inspection of the district found the following:

Plans are to remove trees and brush in the drainage corridors and fallen trees in the main ditch from Bird Street in Sun Prairie to the outlet into District 8 have been confirmed. The main drain needs to be cleaned out over the entire length.

6. It is the Drainage Board's practice to review the condition of the district on an annual basis and as requested by district residents. All work within the district on district facilities is approved and performed pursuant to Chapter 88 of the Wisconsin Statutes and Chapter ACTP 48 of the Wisconsin Administrative code.

I certify that the information contained in the annual report is true.

Date: September 26, 2019
