ANNUAL REPORT

As of August 31, 2017

The Dane County Drainage Board submits the following annual report for the above identified drainage district for the twelve (12) month period ending August 31, 2017.

1. No work was done in the district.
2. A review and inspection of the district found the following:

Plans are to remove trees and brush in the drainage corridor and fallen trees in the main ditch full length of the District. The Board is contracting with Resource Engineering Associates to prepare plans to clean three (3) sections of the main ditch.
